Application Process

Rotary Sponsor submits application with a letter or email telling why this person would make a good Rotarian. Membership in Sunrise Rotary is a privilege and not a right. Proposed members must clear a classification conflict review by the Board of Sunrise Rotary. Each proposed new member is also posted for 7 days during which time it is possible a member may object to a proposed new member. This procedure should be taken into consideration before informing anyone that you have proposed someone for membership in Sunrise Rotary.
